Philosophy by the Way: 2012

This chapter examines Socrates' conception of philosophy itself as a way of life, of philosophy as something to be lived, not merely thought and talked about. It argues that for Socrates, living a philosophical life meant living with the idea that reason "œ" conceived as the capacity for argument and analysis in pursuit of the truth about things "œ" is our highest and most essential capacity.

Philosophy, insofar as it may be correlated at all to a "way of Life", is a form of thinking meant to guide action or to prescribe a way of life. The philosophic way of life, if there is one, is displayed in a life in which action is held to be best directed when philosophical reflection has provided that direction; e.g., SOCRATES the paradigm ...

What is Philosophy? - Queensborough Community College

Philosophy (from Greek φιλοσοφία, philosophia, literally "love of wisdom") is the study of general and fundamental problems concerning matters such as existence, knowledge, values, reason, mind, and language. The term was probably coined by Pythagoras (c. 570–495 BCE). Philosophical methods include questioning, critical discussion, rational argument, and systematic presentation.
